

REMARKS

Applicant hereby requests prosecution in view of the following election of species, and believe that generic claims will be allowed, and thus, all the claims should be examined and allowed.

In response to the Office Action's requirement for election of species, between species (a) of Figures 1a & 1b and claims 1-3 & 5-9 and species (b) of Figures 3a & 3b and claims 4 & 10, applicants elect species (a) of claims 1-3 & 5-9.

In view of the foregoing, allowance of the currently-pending claims is now respectfully requested, and favorable consideration is earnestly solicited.

Respectfully submitted,

Ry /Michael E. Belk/
